## Terms of Use

Access to the Freehold Petroleum & Natural Gas Owners ("FHOA") website (the "Website") and/or use of any material contained on or accessible via the Website, (such material including without limitation all textual content, information, documents, graphics, images, and hypertext links and being collectively referred to as the "Content") is conditional upon your acceptance of these Terms of Use and constitutes and confirms your acceptance of these Terms of Use.

FHOA may change these Terms of Use at any time. You agree that it is your responsibility to check for such changes each time you access or use the Website, and such access or use will confirm your acceptance of these Terms of Use, including any changes thereto.

## Disclaimers

The Content of the Website is for general informational purposes only. The Content is provided entirely "as is" and FHOA makes no representations, warranties or conditions, either express or implied, in connection with the use or reliance upon this information. The Content is provided to the user of the Website entirely at the risk of the user and does not constitute business, financial, investment, tax, legal or other advice.

Finding and developing any oil and gas which may exist beneath your land is technically complex and freehold lease agreements are legally complex. FHOA encourages freeholders to seek professional advice when dealing with their mineral interests - your mineral interests may be exceedingly valuable and a dollar spent on good advice may ultimately be the best investment you ever make.

The Content of this Website is also not to be construed as an indictment of the oil and gas industry. In the opinion of the Freehold Owners Association, most energy companies are good corporate citizens.

While FHOA has made reasonable efforts to ensure the accuracy of the Content, FHOA does not give, and you do not receive, any representation, warranty, condition or guarantee as to the validity, correctness, accuracy, currency, timeliness, completeness, reliability, sufficiency or otherwise of the Content, including all claims or information contained in the Content. You acknowledge and agree that the Content may not always be the most current source of information with respect to the matters. FHOA and you further agree that FHOA accepts no responsibility for, and shall have no liability for any failure to update the Content or this Website in a timely fashion, or at all.

You acknowledge and agree that in no event will FHOA or its directors, officers, employees, servants or agents, be liable in any manner or whatsoever for any loss, claim, cost or damages, whether direct, indirect, general, special, incidental, consequential, punitive or exemplary, and arising out of any use of or misuse of, or downloading or viewing of, or interpretation of or reliance upon, the Content or this

Website, whether authorized or unauthorized, or any errors, inaccuracies, omissions or defects therein, including, without limitation, damages for business loss, harm to business, loss of profits, failure to realize expected results, profits or savings, interruption of activities, loss of or damage to data or computer systems, or any other economic or pecuniary loss or damage whatsoever, regardless of the form of action or legal theory, including tort, contract, strict liability or breach of any duty. You agree that the foregoing shall apply even if such damages are reasonably foreseeable or if FHOA has been advised of the possibility of such damages.

FHOA does not warrant that the Website will be free of viruses, worms, Trojans, spyware, malware or any other malicious or destructive content or code, or the results of hacking, cracking or other malicious human activities (collectively, the "Threats"). You access, view, download and use the Content solely at your own risk and you warrant and represent that you have taken reasonable precautions by way of, without limitation, purchase and use of the latest anti-virus and other technological means to avoid any loss or damage to you from any of the Threats. You further agree that the Internet is an inherently insecure and not fully dependable medium and that data and information may be lost, modified, distorted or intercepted in transit, that the Content may not be accurate or complete when viewed, accessed or downloaded by you to your computer for display and/or use and that FHOA shall have no liability whatsoever for any such loss, modification, distortion or interception.

You agree that any hypertext links contained in the Website and linking to third party websites are provided to you as a convenience only and link to websites not within the control of FHOA and subject to change at any time. You access such third party websites solely at your own risk and agree that in no event shall FHOA be liable for the contents of any such third party website, or for any use of or reliance upon such website by you.
